Directions

Start at the front of Sacre Coeur, on the platform with the city behind you, facing the building

Exit the church to your right, go back towards the views of the city and onto rue Azais. Turn right onto rue Saint Eleuthere then left into place du Tertre. Go to number 21 which is at the opposite side of the square from where you entered 2

Complete the circuit of the square and exit the same place you entered. Turn left onto rue Mont Cenis. Go to the end of the street and turn left onto rue Cortot. Stop outside Musée de Montmartre which is 20m down on the right hand side 3

Continue to the end of the street and turn right onto rue des Saules, walking down the hill until you get to the Lapin Agile which is just beyond rue Saint Vincent on the right 4

Turn around and walk back up rue des Saules. Stop outside La Bonne Franquette and Le Consulat which are two restaurants next to each other on the left just before the end of the street 5

Turn right onto rue Norvins and continue until it turns into Ave Junot. Stop outside the gated area just past Cine 13 Theatre on the left at number 1 Ave Junot 6

Turn right onto rue Giradon. At the end of the street cross the road and look back to face Moulin de la Galette on the corner 7

You should now be on rue Lepic, so continue down the hill, following it round. Soon after you pass number 54, rue Lepic bends off to the right, but if you continue walking straight you will merge onto rue des Abbesses. From rue des Abbesses turn left onto rue Burq. Turn right onto rue Durantin and then stay left as it forks to become rue Garreau. Turn left and walk up the steps onto place Emile Gondeau. Stop outside the building marked 'Bateau Lavoir' by the lamp post on your left 8

Turn around and walk back down the steps. Cross over the road and onto rue Ravignan, then turn left onto rue des Abbesses. Stop at the Abbesses Metro station about 50m down and face it's entrance 9

With your back to the Eglise St Jean de Montmartre, turn left along rue des Abbesses and then take the first left onto rue Germain Pilou. Continue to the end of the street and turn right onto blvd du Clichy. Stop outside the Moulin Rouge which is about 200m down on your right 10
