Ant & Dec's Saturday Night Takeaway final peaked with a massive 5.3m viewers last night, bringing the final series (for now) to a close with one almighty two-hour extravaganza. This contributed to ITV1 having the biggest share of viewing across any channel yesterday.

The final episode averaged 4.6m viewers with a 34% share of viewing, up on last year's final which averaged 4.3m and a 33% share.

For 16-34s it achieved a whopping 50% share and 563k viewers.

It comfortably won its slot and was in fact the highest rated show across the entire day on any channel.
