## EDITORS NOTES

Established in 1976 and run by the Society of London Theatre (SOLT), the [Olivier Awards](#) celebrate the world-class status of London theatre, and are regarded as Britain's most prestigious stage honours.

[Society of London Theatre \(SOLT\)](#) is a not-for-profit organisation which represents approximately 230 London-based producers, theatre owners and managers, including all the major subsidised theatrical organisations in London. SOLT runs the Olivier Awards, West End LIVE, TKTS, Theatre Tokens, Kids Week, the New Year Sale and Official London Theatre.

Looking beyond the announcement to the wider work of London's theatre sector, the nominations could not have come at a more crucial time. Ahead of the Spring Budget in Westminster, the Society of London Theatre are leading the call for the government to maintain the higher rate of theatre tax relief, which has galvanised the world-beating productions and performances nominated today by providing the financial environment for increased investment in a challenging climate.
